Graphic Design
- Lucy Brown -

Hi, I'm Lucy Brown, a graphic designer from Utah with a lifelong love for creativity. From a young age, I was drawn to art and crafts, inspired by time spent creating with my family. That passion grew throughout high school, especially during a digital media course where I discovered graphic design and tools like Adobe Photoshop.

Now, I'm studying graphic design at Utah Valley University and was recently accepted into the AAS program. One of my pieces was even featured in the student scholarship art show—an exciting milestone in my creative journey.

Design is more than a passion for me—it's a way to tell stories, solve problems, and make ideas come alive. I'm currently open for commissions, so if you're looking for custom design work, feel free to reach out. Let's create something great together!
